For Statutory Audit of Accounts of Gujarat State AIDS Control Society under the NACP-Phase IV program for the year 2019-20 (Financial Audit)

Background

The Gujarat State AIDS Control Society is a registered Society which is implementing the Centrally Sponsored Programme of National AIDS Control Programme (NACP-IV) being implemented by National AIDS Control Organisation (NACO), Department of Aids Control (DAC) as per the memorandum between the Government of India and State Government. Funds are received from the sources: World Bank and Domestic Budget pooled together known as Pool Funds and from the Global Fund for HIV/AIDS, TB & Malaria in channels called Rounds. All of which together constitute the NACP IV financial envelope.

Programme Objectives

The key programme objectives of NACP-IV are

1. Reduce new infections by 50% (2007 baseline of NACP III).
2. Provide comprehensive care and support to all persons living with HIV/AIDS and treatment services for all those who require it.

To achieve the above objectives, the following key strategies have been identified.

1. Intensifying and consolidating prevention services with a focus on HRGs and vulnerable population.
2. Expending IEC services for (a) general population and (b) high risk groups with a focus on behavior change and demand generation.
3. Increasing access and promoting comprehensive care, support and treatment.
4. Building capacity at National, State, District and facility levels.
5. Strengthening Strategic Information Management Systems.

Objective of Audit

The objective of the audit of the Financial Statements (Balance Sheet, Income and Expenditure and Receipts and Payments) is to enable the auditor to express a professional opinion on the financial position of the Gujarat State AIDS Control Societies or Municipal AIDS Control Societies at the end of each financial year and of the funds received and expenditures for the accounting period ended March 31, 2020 as reported by the Financial Statements fund wise (Pool Fund and Round wise in case of GFATM).

The SACS/MSACS accounts (books of account) will provide the basis for preparation of the Financial Statements and are established to reflect the financial transactions in respect of the project.
Scope

The audit will be carried out in accordance with Audit & Assurance Standards of Auditing issued by the Institute of Chartered Accountants of India and will include such tests and controls as the auditor considers necessary under the circumstances. In conducting the audit, special attention should be paid to the following:

(a) An assessment of the adequacy of the project financial management arrangements, including internal controls. This would include aspects such as (i) adequacy and effectiveness of accounting, financial and operational controls and needs for revision of the same, if any; (ii) level of compliance with established policies, plans and procedures; (iii) reliability of accounting systems, data and financial reports; (iv) methods of remedying weak controls or creating them where there are none, and; (v) verification of assets and liabilities. This assessment is required to be carried out for each every year of project implementation and specific comments on these aspects are required be provided by the auditor annually in the Management Letter;

(b) All funds sent by GOI/ State Society as grant-in-aids should be appropriately classified as (i) Utilized; and (ii) Un-utilized. Utilization of funds shall be recognized as expenditure based on actual amount spent in accordance with the conditions as laid down in the Project Implementation Plan and relevant financing agreements (World Bank/ GFATM agreements, etc) and only for the purposes for which the funds were provided.

(c) All funds have been used in accordance with the relevant financial norms and financial regulations with due attention to economy and efficiency, and only for the purposes for which they were provided.

(d) All expenditure, including procurement of goods and services has been procured in accordance with relevant provisions of the Procurement Procedures prescribed for the program. Proper documents, namely, purchase orders, tender documents, invoices, vouchers, receipts, pay bills, TA bills etc. are duly maintained and linked to the transactions.

(e) All the goods procured and issued are supported by valid receipt and issue documents and are recorded in the stock/ inventory registers and the closing balances worked out correctly. Special attention is needed on payment through cash and comment on adequacy of limit on cash payment is therefore solicited.

(f) Expenditure incurred with reference to the budget allocation approved by NACO/DAC. In case the budget allocation is exceeded, proper re-appropriation duly approved by the competent authority has been obtained.

(g) The expenditures reported as per the quarterly IUFR/CPFMS are in agreement with the audited expenditure/ books of accounts and variances are documented.

(h) An assessment of closing advances including staff advances. Present an ageing report of the outstanding advances for more than one year.

The auditor would need to physically visit the various field offices. The details of coverage of NGOs/ peripheral units should be separately indicated in the Audit Report.
Method of sampling for SACS contracted NGOs: Out of 10% the NGOs to be audited, 5% (in number) will be the NGOs to whom highest Grant in aid (GIA) (annual contract value) is being provided and the remaining 5% of the sample shall be selected by the auditors (rational to be provided in the audit report) in consultation with the SACS. On annual basis, at least 50% of the audited NGOs should be new and the remaining may be those covered in the audit of the previous year.

Method of sampling for peripheral units other than NGOs: On a yearly basis 5% (in number) of the total peripheral units to whom funds are being transferred during the year of audit, for implementing program activities. On annual basis, at least 75% of the audited peripheral units should be new and the remaining may be those covered in the audit of the previous year.

Financial Statements

The financial statements should include:

(c) A Balance Sheet showing accumulated funds of the project, bank balances & other assets of the project, and liability, if any.

Reconciliation with the Financial Reports

In addition to the audit of Financial Statements, the auditor is required to audit the Interim Unaudited Financial Reports (IUFRs) used as the basis for the disbursement by the World Bank and the Round wise IUFRs of the GFATM. The auditor should apply such tests and controls as the auditor considers necessary under the circumstances. These should be carefully compared for project eligibility with the relevant financing agreements and the Project Implementation Plan for guidance when considered necessary. The following are required to be annexed to the Project financial statements:

1. When ineligible expenditures, if any, are identified as having been included in the withdrawal applications, these should be noted separately by the auditor in an annexure.

2. The amount of expenditure reported in the IUFR should be reconciled with the amount appearing under the summary of expenditures of the receipts and payments statement.

Audit Opinion

Besides a primary opinion on the Financial Statements, the audit report of the Society Accounts should include a separate paragraph commenting on the accuracy and propriety of expenditures shown in the Statements of expenditure and the extent to which the Donor/Agency can rely on IUFR’s as a basis for reimbursement.

Time Period for Submission

The audited financial statements including the audit report and management letter should be sent as within 60 days from the close of the financial year.

i) Communicate matters that have come to attention during the audit which might have a significant impact on the implementation of the society; and

j) Bring to attention any other matter that the auditor considers pertinent.

The observations in the Management Letter must be accompanied by a suggested recommendation from the auditors along with management comments both on the observations and suggested recommendations.
